

Cloud Kings

Minutes from breakfast meeting held on 04/11/2015

Bill Brueckman called the meeting to order at 9:20 AM.

Secretary's Report

Leif presented the minutes from the February meeting.

Treasurer's Report

Brian provided the following account balance information:

The balance in the operational fund is \$4206

The balance in the reserve fund is \$3850

The operational fund should cover the budget for 2015.

Field Marshall Report

Ray informed us that the field rolling is planned for April 15th. His research indicated that grub killer should be applied in June, and will cost \$120 for the material. Fertilizer will cost between \$250 and \$300.

Ray will plan a work day to perform repairs on the fences and stands. Jorgen suggested we do a barbecue to get additional attendance.

Safety Officer

Bill Losey reported that there were no safety issues.

Newsletter Editor

Mike Denest was not present, but he previously emailed the officers to note that the newsletter will be a week late due to problems with his computer.

Old Business

- Bill expressed thanks to Dan Crawford for organizing our indoor flying. We hope to be able to continue this for future seasons.
- The club raised \$250 for the "Heart for Hanna" fund to benefit John Andersen's granddaughter.

New Business

There was a discussion about how to obtain more funding and growth for the club.

- Jim Davenport raised a concern about the need to recruit new and younger members to the club.
- Leif reported that he is donating his copy of the AMA Model Aviation magazine to the Avon Grove Library, with a sticker referring to our club website.
- Alvin had a sticker created with the club's website URL that will be posted at the field to point interested people to our site.

New Business (continued)

Other new business:

- Bruce Ginn asked about the process for using the club trainer. It was noted that the trainer is located in the shed and should be ready for use by any club member. The member may need to supply their own fuel.

New Members

There were no new members applying for prospective membership.

The club voted and approved full membership for:

- Nick Lang - Nick flies a DJI Phantom Quad Compter with a GoPro camera system.

50/50

Richard Moore from the HAM operators club won \$45 in the 50/50 raffle
The club's \$45 share will be donated to the "Heart for Hanna" fund.

Airplane Talk

Tommy Bedsole showed a first-person view camera system that ships complete with glasses. It has a range of 300 feet and is powered by a normal receiver battery.

The meeting was closed at around 10:00 AM

Next Meeting

Wednesday, June 10th at 7:00 PM at West Field
