

Cloud Kings

Minutes from meeting held on 08/14/07

Bill Losey called the meeting to order at 7:29 pm.

Treasurer's Report

Balance in the checkbook is \$7102 including the Legal Fund. Expected expenditures for August are field mowing, porta potty and payment for the material for the new field benches.

Old Business

The issue concerning the person (last name Schroeder, see last month's minutes) was declared taken care of and no action needs to be taken

The tabled revised dog rules were discussed and Lief Thomson made a motion that the no dog rule passed at the June meeting be upheld as decided then. Henry Bohe seconded the motion. A vote was taken and the results were 9 yeas and 8 neighs. Therefore, no dogs are allowed at Cloud King fields.

New Business

No new business was discussed

Prospective Members

Walt Wurst – sponsored by Alvin Johnson. A couple of winters ago he bought a small toy and has been flying electric since. He attended our fun fly and wants to join the club. He likes to build.

Bill Brueckman- sponsored by John Hoopes. He was a prospective member last October, but did not pursue membership. He flew 20 years ago and wants to start again. He told everyone in attendance how good he felt meeting us the last time.

New Members

The following prospective members were voted to full membership status

Events

Family Picnic- September 8 at West Field Club will buy hot dogs, hamburgers and condiments; members attending should bring non- alcoholic drinks and a covered dish. This event is for members and their families

Vintage R/C Event- October 6-7 starting at 9 a. m. each day. Members are encouraged to fly in this event if they have the proper planes, but the club need volunteers to help man items such as radio impound, parking and general setup of West Field

Oxford Fair-August 30th & 31st 5 p. m. – 11 p. m.

September 1st & 2nd 11 a. m. – 11 p. m.

September 3rd (Labor Day) 11 a. m. – 8 p. m.

The club has been invited to have a booth at the fair. This would require a member or two manning the booth to answer questions etc. We are also in need of electric "foamie" fliers to demonstrate flight in a very restricted flying area. Static display of airplanes would also be helpful. Contact Pete Jones if interested in helping out.

Flight Instruction
No report

Airplane Talk

Bob Evangelista brought his Laser 200. Seagull Models in Vietnam manufactured the plane. The power plant is an OPS 4 stroke overhead cam engine. He found it for sale on RC Universe. He has had 3 successful flights so far.

Next Meeting
October 9, 7:30 p. m. at West Grove Fire House
