## Old Business

- Bill reported that the picnic was a great success, with the exception of the missing condiments that Buddy forgot to bring.
- The shed that Stan Michalski said might be available from Tastykake is still in use. They are still willing to let us have it once it becomes available.

## New Business

- John Anderson suggested that we tap into the EAA Chapter 240 full scale pilots at New Garden airport as potential members. Their membership is only \$20 per year and many of them no longer fly.
- Leif announced that nominations for 2019 officer positions were opened, and will remain open until the December meeting when the vote will be held.
  - Roger Smith was nominated as club President, and the remaining 2018 officers were also nominated. Bill Brueckman did not want the nomination for President.
- John Anderson asked the members to be on the lookout for a pond or lake in the area that would be suitable for float flying. Bill Brueckman thinks that he knows someone who has such a pond and will check with them.

New Business (Continued)

- Bill Losey reminded the club that our Christmas Dinner will be held at the Dutchway restaurant in December. He will confirm the date which will be posted on the website.
- Bill Brueckman reported that we might have a conflict with our Breakfast meetings since the radio club is meeting at the Post House on the first two Saturdays of each month. He will attempt to work something out..
