Gearing up for the Fun Fly

Fun Fly News

Our annual Fun Fly will be held on Saturday, July 21st at Harris Field. In case of rain, we will have it on Sunday, July 22nd.

We will have “Fast Eddy” as the MC, and the Alpha Squadron with their jets to provide entertainment. Bill Losey plans to fly in with an Ultralight, and we hope that the National Guard shows up again with their Huey.

I’m working on some new bombing rigs for dropping candy, parachute characters and perhaps water balloons from my helicopter.

We plan to have limited food and beverages for sale, but no cooking as we did last year. This reduces the workload significantly, and we still made the same profit we have in past years.

Enclosed is a color flyer for the event. Please find a convenient public place to post this so that the word gets out and we attract a good crowd. Several of the officers have quantities of these and are posting them in the area. If you want more, please let me know.

We need volunteers from the club membership to make this event a success. Please think about how you can best contribute and sign up for a task at the July meeting. If you cannot attend the meeting but want to help, please contact Dick Plyler to sign up. Otherwise, just show up at the Fun Fly and we’ll put you to work.

We will need people who can be counted on to be there and take charge of the following tasks:

- Welcome and parking attendants
- Radio Impound supervisors
- Raffle ticket sales
- Food, candy and beverage sales
- Set up and cleanup

Also, anyone who has a shade tent or pavilion in good shape is asked to bring it to the Fun Fly. Just remember that ground stakes are necessary since it is usually quite windy.

Leif Thomson

Special July Meeting

We have scheduled an extra club meeting to be held on Tuesday, July 10th at 6:30 PM at West Field. The purpose of the July meeting is to finalize plans for the Fun Fly. We will be serving food at this meeting as well, so please plan to attend.

Membership News

In our last meeting, we voted Henry Bohe and Derek Roberts into the club as full members. Derek’s two sons Peter and Casey were also approved as junior members.

We also welcomed Mike Rubina as a provisional member and Eric Froyland as a provisional junior member.
