## Time to Renew

### **Editor's Note**

After a year with little or no travel I'll be off to Germany for the first two weeks in February for a business trip. Since membership renewal and the club officer vote deadlines are quickly approaching, I put this newsletter out one week earlier than usual. If you have not already renewed both your AMA membership and Cloud Kings membership please make sure that you do so immediately to avoid losing your club membership and going through our extended new member process again. The deadline for membership renewal is the February meeting, which will be held on Tuesday, the 10<sup>th</sup>.

### **Membership Renewal**

You must renew your membership with the Cloud Kings at or before the February 2004 meeting. Remember that you must also renew your AMA membership before renewing your membership with the Cloud Kings.

As of January 24<sup>th</sup>, at least 8 current club members had not renewed their AMA membership.

Club membership fees are \$35 for full members and \$15 for junior members. If you do not plan to attend the meeting, please send your membership fee with proof of AMA membership to:

Brian Swarts  
111 North Deer Run Road  
Lincoln University, PA 19352

### **February Meeting**

***Our next meeting will be held on Tuesday, February 10<sup>th</sup> at 7:30 PM at the West Grove Fire Hall.***

Please plan to attend as we will be voting for the club officers for the 2004 season.

### **Nomination of Officers**

At our December meeting James Heckman presented the nominees for club officers for 2004:

President - Mark McQuaide  
Vice President - Richard Martin  
Treasurer - Henry Bohe  
Secretary - Tom Lauletta

These nominees have been contacted and are willing to accept the responsibility of carrying out the duties of office. Other qualified candidates may be nominated before the vote for the officers at the February meeting.

### **Membership News**

Welcome to our newest full member Ed Hoopes, who was voted in at the December meeting.

We also welcomed Robert Taylor as a prospective member. Robert will be eligible for membership vote at the February meeting.
