PRESIDENT'S CORNER

It's hard to believe that the days are getting shorter now and we have had some good events that have been successful with a few more yet to go.

I am writing this as I reflect on the premiere local event at Lums Pond. This can really get a person charged up to try some new and bigger War Birds. But be careful, they still need to be able to fly at West Field. I am sure that most of our members were there to experience that feeling.

We are gaining new members and those who sponsor a prospective member need to stay in touch with them, mentor them, and get them set up for training, if needed, through Mike Denest our chief Flight Trainer.

The next events are the club picnic on August 25th and the Vintage Event on October 6th.

Our next meeting is on August 8th at 7:30 pm at West Field. Hope to see you there. Be sure to bring along anyone wishing to join the club.

Club Picnic Set for August 25th

The annual Club Picnic is set for Aug. 25, 2012 at West Field. This is an all day event for all club members so bring something to fly. Lunch will be served between 12:00 and 1:00. We are in need of volunteers to bring a covered dish. Please contact Bill Brueckman to let him know what you will be bringing. (410) 392-5276

Bigger is Better!

Ray was very busy this past winter .

The Giant Stick 50 is kitted by AMR and Ray began construction in October of 2011. The wing span is 106" and the length is 80". Ray uses a DLE55 to pull it around the sky. Well done!

Calendar of Events
