President's Corner

I would like to thank all the volunteers that helped out with the Chester County Library Mini Maker Fair. It was a great success for the Library and was good exposure for our club. Over 50 Cloud Kings R/C Club handouts were given out.

Also the club will be hosting the Russellville Junior Grange on Thursday evening Aug. 15th at 6:00 PM for a demonstration flying session. I plan to have a flight simulator set up, 3-D flying, helicopter flying and lots of static displays plus hotdogs and sodas for the kids.

All club members are invited and volunteers are needed. Any member wishing to volunteer that night please give me a call.

A special thanks to Danny Crawford for mowing the field during Alvin's illness. Great job Danny.
