## *PRESIDENT'S CORNER*

At the start of this new year, as your new President, I would be remiss not to reflect back on the wonderful job Dick Plyer has done; not only as President but for all the years he has been instrumental in the success of the club. Thank you Dick for your commitment and dedication to the Cloud Kings RC Club.

This year I plan to continue with the successful events we have had in the past; the club picnic, Buy and Fly, Freeze Fly and hopefully the VR/CS Octoberfest. The indoor flying is off to a great start thanks to the efforts of Danny Crawford in acquiring the North East High School gym for our cold weather flying. Hopefully we will be able to continue the indoor flying throughout the year.

I will be meeting with the club officers to discuss possible dates for all of the upcoming events and to bring up some new ideas to be ready for the next club meeting.

I'm looking forward to working with all club members in the coming year and I'm always open to suggestions or new ideas. I hope that everyone is having a happy new year with successful building and flying
