PRESIDENT'S CORNER

This is a very small comment corner this month. I want you all to come to the June 13th meeting at West Field. It will begin promptly at 7:30pm and deal with the preparation for the "Buy and Fly" that has been advertised and scheduled for June 16th. This will require lots of help and participation, from all of the club members, to pull this off successfully. Bring a plane and fly early that evening. See you there!
