From the President's Bench

Last month my wife and I with six Cloud Kings members attended JOE NALL WEEK at Triple Tree Aerodrome in South Carolina. What a fantastic experience for us. We were witness to some of the worlds best R.C. Pilots, most notably the flight team from Germany with their giant scale jets and the helicopter pilot that flew in unison with a 3-D airplane. Every type of flying machine was on hand, from helicopters, quad copters, giant scale jets, war birds and park flyer foamies.

Joe Nall Week is certainly a worthwhile experience for anyone interested in R.C. Aviation.

This year, thanks to the effort's of Bill Losey our Christmas party will be held at the Dutch Way Restaurant, mark your calenders for Dec. 19th AT 1:00 P.M.

Thats all for now,

Bill

Our club meeting will be held at West Field, Wednesday, June 10th at :00PM so get there early and do some flying before the meeting.

The first of our annual scheduled events occurs this month with the Buy and Fly fun fly and flea market (say that fast) to be held on June 20th at West Field. This will be a rain or shine event with the emphasis on buying, selling, horsetrading and flying if the weather permits. This is an AMA sanctioned event so if you are going to fly, don't forget your AMA card.

This month, we feature photo coverage of the Joe Nall fly in at the Triple Tree Aerodrome, Woodruff, SC and the field clean up session by the Weekday Flyers. Enjoy the photos and see you at Buy and Fly.

Cloud Kings members showed up in force after the Weekday Flyers breakfast to perform maintenance on West Field. Among the tasks were new screening for the pilot stations and a general spruce up. The field looks fantastic. Great job guys!
