President's Corner

Now that the days are growing shorter and the sun is lower in the sky another flying season is coming to an abrupt end. Not to despair. Danny Crawford has gotten approval from the school to start up our indoor flying at North East High School. Keep a check on your E-Mail for dates and times.

Another successful fall picnic has been completed thanks to the hard work and planning of Dick Plyler. An abundance of delicious food was enjoyed by club members and their families. The picture perfect weather, that was ordered by Dick, had folks up and flying their favorite machines. Thanks again Dick.

Oktoberfest was held on Sat. Oct 12. Although sparsely attended, due to the weather, a good time was had by all. My gratitude and appreciation go out to Danny Crawford, his wife Brenda and my wife Robin who took care of all the food. Also to Mike Denest for his hard work and the VR/CS folks for their generosity. Clouds Kings realized a profit of \$335.00 dollars.

Our Christmas luncheon is set for Dec. 14th. 1:00 P.M. at the Longwood Family restaurant.

The next club meeting is schedule for Sat. Dec. 7, 9:00 A.M. at the Post House. Nominations may be submitted for club officers for the coming year at this meeting.

That's it for this month, keep flying and be safe.

Bill

From the Editor's Desk

We will be nominating our club officers for 2014 at our regular December meeting. Names may be placed in nomination up until the time that our secretary, Leif Thomson, closes the nominations and the elections are held. If you would like to become an officer of the Cloud Kings the only requirements are that you are a current member in good standing and have been for at least 1 year. I urge anyone with the desire to stand up and be counted.

On that note, I would like to take this opportunity to announce that due to time constraints I will not be running for Vice-President nor will I be able to continue as the newsletter editor for 2014. It has been a pleasure to have served the club in both positions

Henry
