

# Cloud Kings

Minutes from breakfast meeting held on 02/07/2015

Bill Brueckman called the meeting to order at 9:00 AM.

## Secretary's Report

Leif presented the minutes from the December meeting.

## Treasurer's Report

Brian provided the following account balance information:

The balance in the operational fund is \$3999.19

Should cover the budget for 2015.

## Field Marshall Report

Ray suggested that we apply fertilizer to the field this year, as well as the planned rolling in April. He will investigate pricing for this.

Henry Bohe suggested we do a second field rolling in September. Buddy Harlan volunteered the use of his 900 pound roller and 4-wheeler for this.

## Safety Officer

Bill Losey was not present.

## Newsletter Editor

Mike Denest was not present, but has emailed the Newsletter and will be mailing the remaining copies next Monday. .

## Old Business

- Special thanks to Jorgen Pedersen for donating \$40 to the club's general fund
- Ray Crowley inquired about the Solar Panel project, which Leif reported is still planned.

## New Business

We finalized some event dates for 2015:

- February 14th: Valentine's Lunch at 1PM at Dutchway sponsored by Bill Losey
- June 13th: Buy and Fly Tailgate sale sponsored by Mike Denest
- October 10th: Octoberfest sponsored by Mike Denest

Alvin suggested that our club investigate getting money from the AMA for field improvement, as they have a program that can provide up to \$4000 for this. Leif will look into this for next year.

## New Business (continued)

### Other new business:

- There was some discussion of additional special interest events that could be done. Pete Jones suggested occasional Hot Dog nights, with possibly a feature special interest for each night, and funded by donations.

## New Members

There were no prospective members present waiting for a membership vote:

## 50/50

Richard Jenkins won \$31 in the 50/50 raffle and donated \$11 back to the club

## Airplane Talk

Jorgen Pedersen showed a forward-swept flying wing that he designed himself. He has been having some brown-out issues with the radio system, and has recently moved to a Hitec receiver in hopes that this will eliminate the issues. He reports that this wing reaches almost 100 miles per hour.

The meeting was closed at around 10:00 AM

## Next Meeting

Saturday, April 11<sup>th</sup> at 9:00 AM at the Post House Restaurant
