The balance in the operational fund is \$3717.51

Out of 64 members, 9 have not yet renewed

Field Marshall Report

Ray noted that the field rolling is planned in the next two weeks along with the addition of some larger stone at the turn in the driveway. Some of the flight stations will also need repair.

Safety Officer

Bill was not present at the February meeting.

Newsletter Editor

Mike Denest made a call for newsletter content by the first of the month before each issue. He suggested that the officers provide a paragraph for each issue and that members can showcase specific aircraft or build techniques. Word documents or Acrobat files along with separate pictures are the best formats for submissions.

Old Business

The Audit committee has not yet completed auditing the club's 2013 finances but will be working on this soon. As a reminder, the committee consists of:

- Dick Plyler
- Tom Lauletta

Brian asked that any members who want to order club apparel (hats, T-Shirts, sweatshirts, etc.) let him know what they want so he can order the correct stock.

New Business

Bill Brueckman made the club aware of an invitation to attend and demo fly at a Kid's Fest event in Malvern sponsored by State Representative Wayne Miller.

There was some discussion on this topic and the members generally agreed that we should decline this event as it is out of our area and also risky from a liability standpoint.

New Business (continued)

Other new business:

- It was suggested that we invite a scout troop to our August picnic as well as inviting some local neighbors. Ken Sumner agreed to contact the local boy scouts to see if they would be interested.

New Members

There were no prospective members waiting for a vote

The club voted and approved probationary membership for:

- Nick Lang - Nick flies a DJI Phantom Quad Compter with a GoPro camera system. Nick will be sponsored by Pete Jones.
- Wayne Graybeal - Wayne first started learning to fly 15 years ago and would like to get back into the hobby. Wayne will be sponsored by Dan Crawford.

50/50

The meeting was closed at around 10:05 AM
